

14/20X

DROP DECK

INNOVATION MEETS RELIABILITY

Designed to meet your hauling needs with exceptional performance and reliability. With a load angle of 3 degrees on the bed and 9 degrees on the ramp, this trailer ensures smooth and efficient loading and unloading of your cargo. With a Gross Axle Weight Rating (GAWR) of 14,000 lb and a robust construction, it can handle heavy loads with ease.

The 14/20 Drop Deck boasts an impressive load capacity of 12,310 lb, allowing you to transport your equipment and materials with confidence. Its total length of 25' - 6" and width of 8' - 6" provide ample space for your cargo.

Additionally, it comes with a mounting bracket for a winch, further expanding its functionality. Experience the reliability and convenience of the 14/20 Drop Deck trailer model on your next hauling job.
